

FINDING YOUR PARTNER JUST GOT A WHOLE LOT EASIER

Japan Business Matching at MD&M West 2008 • January 29 - 31, 2008

Let JETRO bring you face-to-face with Japanese companies technologically advanced in the medical device industry to discuss business partnerships, licensing, joint research and distribution agreements.

Highlights from last year:

- Total of 23 companies (16 U.S. and 7 Japan)
- 70 1-on-1 meetings were conducted
- Japanese companies included Toray, Kyocera, Olympus, Terumo and others.
- Some categories interested by participants include catheter, medical material, medical imaging device, stent, etc.

Who Should Participate?

U.S. companies in the medical device industry, especially in the product areas or technologies of the following:

- Medical Products
- Manufacturing Devices
- Medical Devices Components
 - Medical Materials
 - Software
- Medical IT Systems
- Sterilization Devices
 - CRO / CMO
 - QC/QA

Application deadline is December 21th, 2007. To apply, visit
